

Port

los is one of the largest and most atmospheric Cycladic islands and offers a wide range of accommodation for your stay, from cheap and luxurious hotels to rooms to let and apartments, small or larger buildings in harmony with the strict Cycladic landscape of the island.

The unique beauty is not limited to the traditional architecture and the golden beaches, los enchants you from the first moment you find yourself in the port!

It stands out for its beaches, its trails, its settlements but also the unique spots from which you may enjoy the breathtaking views over the Aegean.
